### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Benjamin E. Urcia on 11/12/04.

3. The application, **claim 8**, has been amended as follows:

8. (Currently Amended) A mobile voice communication system for enabling a mobile host to initiate a voice call with a communication terminal via Internet and cellular networks, comprising:

a plurality of mobile switching centers, provided by the cellular network for enabling said mobile host to establish a call connection; and

a plurality of gateways, provided by the Internet for connecting to the mobile switching centers,

wherein said mobile host is connected to said communication terminal through a first mobile switching center of the cellular network, a first gateway at near end of the Internet, and a second gateway at a far end of the Internet, and when said mobile host roams from an area controlled by said first mobile switching center to an area controlled by a second mobile switching center, and said first gateway that is connected to said first mobile switching center is different from a third gateway that is connected to said second mobile switching center, said third gateway invokes a call transfer procedure to said first gateway, so as to establish a
